### Beyond The Beach: The Pursuit of Happiness in San Diego

Topping many "It Lists" of late, San Diego has shed its beach bum reputation and emerged a youthful, energetic city filled with an outdoor-loving population, pursuing their own happiness and hoping you'll come along for the ride.

On any given day, summer or winter, rain or shine, you can find people out enjoying the San Diego surf. For many locals surfing is a way of life, as much a part of their daily routine as a morning run is to other athletes.

San Diego however is so much more than beaches: come discover it with us.
